

When tight deadlines are the norm and you need to have documents authenticated, legalized or apostilled for use in other countries, you can't afford to waste time with service companies that don't know the procedures. The clients of **National Corporate Research, Ltd. (NCR)** are accustomed to experienced, proactive client service specialists who ensure that common mistakes and delays are avoided.

Here are some examples of the kind of service you can expect when you work with NCR:

Time pressure for documents needed in Italy:

Counsel for a prominent international fashion designer needed a Delaware Certificate of Good Standing with a certified copy of a Certificate of Incorporation plus a New York Power of Attorney (POA) apostilled for use in Italy. The documents were needed for a closing the next day in Milan, Italy.

NCR's Dover office was able to immediately obtain the needed corporate documents and get them apostilled the same day. They were then sent by overnight courier to Italy.

An NCR client service specialist in New York obtained the required authentication and apostille for the notarized POA and delivered it to the attorney client on a street corner in Manhattan as he was getting in a cab to go to JFK International Airport.

NCR knows how to handle your complex requests:

A client in Japan asked an NCR client to obtain a Certificate of Good Standing for a Bahamas corporation and have it authenticated and legalized for use in the United Arab Emirates (UAE). The UAE does not have an embassy or consulate in the Bahamas. NCR was contacted and asked how to achieve consular legalization of this document for use in the UAE under these circumstances.

NCR determined the appropriate steps and handled the client's request as follows:

- ◆ Obtained a Certificate of Good Standing in the Bahamas and had it authenticated by the Ministry of Foreign Affairs, Commonwealth of Bahamas
- ◆ Arranged for authentication of the Good Standing Certificate by the Embassy of the Commonwealth of Bahamas in Washington, D.C.
- ◆ Arranged for authentication by the U.S. Department of State in Washington, D.C.
- ◆ Had the document legalized at the Embassy of the United Arab Emirates in Washington, D.C.

Answering difficult questions and fulfilling complex requests is common practice at NCR.
