

Naming

Registered Agent

Listing the correct name and address of your Registered Agent on filings is critically important. To make sure you have the most current address for NCR in a given state, always check the Registered Agent Address List posted on our web site: www.nationalcorp.com Or, better yet, save yourself the time and avoid typos by using our corporate forms, which have our name and address already inserted. You can access NCR's corporate forms library from our web site, but you will need a password. **To apply for a password, provide your name, firm name, phone number and e-mail address in a request to: info@nationalcorp.com**

NCR also provides statutory representation services in a wide range of international jurisdictions. For more information about representation outside of the United States, please contact international@nationalcorp.com.
